"So the Namer, and you - and the Doorkeeper?". He had married while he was in Shelieth, a woman no one at Iria knew anything about, for she came from some other island, it was said, somewhere in the west, and she never came to Iria, for she died in childbirth there in the city.. "I think what we have to do," he said without preamble, "is try to hold the fault from slipping much, you at the Gates and me at the inner end, in the Mountain. Working together, you know. We might be able to. I can feel it building up, can you?". "I could fly there as a tern and be back on the ship before daylight," he said to himself, but idly. He was bound for O Port. Ruined lands were all too common. No need to fly to seek them. He made himself comfortable in his coil of cable and watched the stars. Looking west, he saw the four bright stars of the Forge, low over the sea. They were a little blurred, and as he watched them they blinked out, one by one.. "But," said Dragonfly and stopped, caught by the argument. After a while she said, "So a name has to be a gift?". ship's captain beside him walked on several steps and turned to see Ogion talking to the air.. "You're crazy," she said, very angry. It was a sweet anger. Why could not more anger be sweet?. After a while he said, "I could chase an etymology on the brink of doom ... But I think, Azver,," "The one," Rose said. As suddenly as the ewe had walked off, she went into her house. Dragonfly followed her, but only to the door. Nobody entered a witch's house uninvited.. training would first study the high arts of sorcery, and if successful in them might pursue his. almost

immeasurable differences. One of these differences may be, or may be indicated by, the lack of prearranged location? being a musician." "Then to me you are Silence," the wizard said. "You can sleep in the nook under the west window. There's an old pallet in the woodhouse. Air it. Don't bring mice in with it." And he stalked off towards the Overfell, angry with the boy for coming and with himself for giving in; but it was not anger that made his heart pound. Striding along—he could stride, then—with the seawind pushing at him always from the left and the early sunlight on the sea out past the vast shadow of the mountain, he thought of the Mages of Roke, the masters of the art magic, the professors of mystery and power. "He was too much for 'em, was he? And he'll be too much for me," he thought, and smiled. He was a peaceful man, but he did not mind a bit of danger...kind of a situation being dangerous, in a palace. Then I went about to friends of mine and asked pale blotches of faces; there was something like a balcony up there. Blinded by the light, I could do too much. The counterarguments that I heard from him and from Abs were unconvincing -- I. Day by day, as they talked in the old stableyard of Iria, where they had fallen into the habit of meeting, she asked him and he told her more, though reluctantly, always partially; he shielded his Masters, she thought, trying to defend the bright image of Roke, until one day he gave in to her insistence and spoke freely at last...tongue?". In the Archipelago, the lore of the Old Powers was still part of the profound, common basis of thought and reverence. On all the islands, the arts mostly practiced by witches, such as midwifery, healing, animal husbandry, dousing, mining and metallurgy, planting and growing spells, love spells, and so on, often invoked or drew upon the Old Powers. But the learned wizards of Roke had generally come to distrust the ancient practices and made no appeal to the "Powers of the Mother." Only in Paln did wizards combine the two practices, in the arcane, esoteric, and reputedly dangerous Pelnish Lore...dogs yammered around him. "She broke it...". The hillside in front of him trembled, writhed, and opened. A gash in it deepened, widened. Water sprang up out of it and ran across the wizard's feet.
