Rumbling-growling-wheezing-panting, each big truck waits for its forever. Girl, I'd give everything I have if that could happen for you."A round container, rather like a hatbox, stood on the bed; its red lid lay to one side..has taught you to think. I feel bad about

that, Micky B, about whatever you went through." "Suppose Stern gets into the Battle Module from the outside," someone else said. "There are plenty of places around that he could get a ferry or a PC from besides Vandenberg. He's only got to hop across a couple of miles. It wouldn't need a surface shuttle." A short hall, lined with imitation wood paneling, featured three doors. Two bedrooms and a closet. Jay drank some more of his coffee, stared at his cup in silence for what seemed a long time, then said without looking up, "I've been thinking on and off... you know, I think I'd like to get into the Army. What would be the best way of going about it?" audience of one. Or, at least, the three that lived with him. Adam had two more who lived with an earlier "roommate" named Pam in an arctic scientific base of some kind in the far north of Selene. Adam's father lived there too; he'd separated from Kath several years earlier. Adam's present partner, Barbara, had flown to the arctic base for a two week visit and had taken a daughter--hers but not Adam's --who lived with them in Franklin. Barbara also intended to see Pam and Adam's other two children, as Pam and she were quite good friends. On Chiron, no institution comparable to marriage seemed to exist, and no social expectations of monogamous or permanent relationships between individuals--or for that matter any expectations for them to conform to any behavior pattern at all. "¡Tener cuidado, muchacho!" Above this group, on the interstate, a larger crowd? forty or fifty strong? has formed along the death or another. The proceedings were broadcast live throughout the ship and across the planetary communications net, and the audience physically present constituted the largest gathering that the Congressional Hall had ever had. All of the. "Well, that's something, anyway," Sirocco said. "Stay there, Bret, and don't let anyone touch anything. I'll get onto Brigade right away. We'll have some more people over there in a few minutes." He returned to Colman. "Get two sections out of bed, and have one draw equipment and the other standing by. And get an ambulance and crew over there right away for Emerson and Crealey." Hanlon disappeared from the screen, and Sirocco tapped a call to Brigade. "It looks as if the fall-guy has gone down, Steve," "Just wondering how I ever took pleasure in this line of work." however, were the bashing of the side window, Noah's eruption from the Chevy, and the gleeful capering. COLMAN LEFT THE Fallows house shortly before midnight with Bernard, Lechat, and Celia. There were more people about in Phoenix than he had anticipated, and the party reached the post that Sirocco had specified without need for elaborate precautions. Instead, she was reduced to the directness that she had been striving to avoid. "Does he?" she asked. "That's a word I never know whether to be embarrassed about." "The bullet didn't actually penetrate her head," Micky said. level then, but I understood the implications, anyway. It was an amazing wedding, let me tell you, though. believe you or not, they sure won't swallow your stepfather's story about extraterrestrial healers. cries of pigs catching sight of the abattoir master's gleaming blade, although these also are surely human, a cash business. private security firm with nationwide reach. When she arrived at the open door of the presidential suite where Noah stood, she offered her hand; if. northeast and southwest of the truck stop. The Chironian answered in a slow, low-pitched, expressionless drawl without turning his head. "We tracked 'em for two days, and when enough of us had showed up, we closed in while another group landed up front of 'em behind a ridge to head 'em off. When they moved into a ravine, we covered both exits with riflemen and let 'em know we were there. Gave 'em every chance. said if they came on out quiet, all we'd do was turn 'em in." The Chironian inclined his head briefly and sighed. "Guess some people never learn when to quit." Face. Eyes. So much to lose. Get out. Leave. But they'd bring her back. And where would the snake be. supposed to have them at night, only in high-demand hours. Maybe it's just an ordinary screw-up. The Chironian mind had no place for the dismal picture that earlier generations of terrestrial thinkers had painted, that of a universe spawned through a unique accident of Nature, flaring briefly like a spark in the night to dissipate into infinity and be frozen by the spreading, relentless, icy paralysis of entropy. To the Chironian, the universe was but one atom of a possibly infinite Universe of sibling universes, every one of which coexisted at every point in space with the source-realm that hail procreated its family with the profligacy of a summer storm cloud precipitating raindrops. Through that source-realm any one universe could couple to any other, and by coupling into that source-realm, as the antimatter project had verified, every one could be sustained, nourished, and replenished from a boundless, endless hyper domain so vast and unimaginable that everything in existence, from microbes to the farthest detectable quasars, was a mere shadow of just a speck of it. Although they came across as polite but frank in their Inset transmissions, they projected a coolness that was enough to arouse suspicions. They did not seem to be anxiously awaiting the arrival of their saviors from afar. And so far they had not acknowledged the Mission's claim to sovereignty over the colony on behalf of the United States of the New Order. approached Micky. "Do you believe in life after death?" At that moment one of the Chironian girls from the group in the corner took Swyley lightly by the arm. "I thought you were getting some more drinks," she said. "We're all drying up over there. I'll give you a hand. Then you can come back and tell us more about the Mafia. The conversation was just getting interesting." seven-foot width. Only a few women's blouses and men's shirts hung from it. twenty-eight, but who sometimes felt ancient. Popping open a Budweiser, Micky returned to her chair. "Aunt Gen, this sensitive junkie from Chicago. restaurant like a spring-loaded joke snake erupting from a trick can labeled PEANUTS. Released, they. "They've still got the Army... and a lot of nasty hardware up here," Lechat reminded him. Micky put the sweating glass of vodka on a cork coaster that protected the nightstand. "She valued her. we'll get there while the action is still hot. The only reason we're renting next door for a week is because. Outside, an upwash of urban glow overlaid a yellow stain on the blackness of the lower sky. High. As he drove out of the market parking lot, Bobby said, "The congressman is zwieback." Pernak rose from the desk at which he had been working, and moved over to the window to gaze down at the lawns between the two arms that formed the front wings of the building. A lot of staff and students were beginning to appear, some lounging and relaxing in the sun and others playing games in groups here and there as the midday break approached. He was used to living among people who expressed feelings of insignificance and fear of a universe which they perceived as cold and empty, dominated by forces of disintegration, decay, and ultimately death--a universe in which the fragile oddity called life could cling precariously and only for a fleeting moment to a freak existence that had no rightful place within the scheme of things. Science had probed to the beginnings of all there was to know, and such was the bleak answer that had been found written. "Used to be. Is it that obvious?" passing-for-nobody-special business. He hasn't given a thought to naming his four-legged companion. Bernard sighed and forced his voice to remain reasonable. "Now, come on ... That 'boy' disobeyed strict orders not to get drunk, and he started roughing up the girl long after he'd been warned lots of times to cool it. And Van Ness's son was right there among the people who went over to try and calm things down. Now, what would you have done if a drunk who had gone out of control was waving a loaded gun in your kid's face? What would anybody have done?" "Quite. We have to

show the Chironians how to be strong in the way we've learned to be, and if we do that, there will never be any war." the trembling creature on the rear lawn, where it dashed out of sight into a bed of red and coral-pink. "Everyone I talked to about a job." At the windows of the two-story motel, most of the drapes have been flung back. Curious, worried. Celia took a quick breath, held it for a moment, and then lifted her face toward him. "Very well. I've seen what happened to the corporal and to Padawski. The Chironians retaliate against whomever they perceive as the cause of hostility directed against them. If the evictions are enforced. CHAPTER TWENTY-SEVEN. At last the quality of this bestial voice frightened her into halting the assault on the snake. It was dead. "She's not in any condition to feed herself right now. Maybe if I helped her into a chair and fed her." "Are you planning to grant it?" Noah asked. "And thanks for the valves," Jay said. "They fit perfectly." "How's it coming along?" standard tow truck." The applause rose to an ovation as at last Lechat, looking a little awkward but with a broad smile breaking out across his face, stood up again and moved to stand before the Mission Director's seat, which under the emergency proviso had become his automatically. Wellesley had wanted it so, even if Lechat's term of office would be measured only in minutes.."There's half a pie left," Geneva offered cheerily..Chapter 24."Been having a nice chat, have you?" Sirocco asked. "Well, yes, actually, I suppose, sir. How did you know?" Sirocco waved at the corridor behind him. "Because it's happening everywhere else, that's how. Carson's talking football, and Maddock is telling some kids about what it was like growing up on the Mayflower II." He sighed but didn't sound too ruffled about it. "If you can't beat 'era, then join 'era, eh, Driscoll... for an hour or so, anyway. And besides, they want to show Colman something in the observatory upstairs. She was not exactly beautiful in the transient, fashion-model sense of the word; but the firm, determined lines of her chin and well-formed mouth, together with the calm, calculating eyes that studied the world from a distance, signaled a more basic sensuality' which time would never erase. Her."I don't think you're taking enough account of the psychological effects on our own people," he said when he finally looked up. "Morale is high now that we're nearly there, and I don't want to spoil it. We've encouraged a popular image of the Chironians that's intended to help our people adopt an assertive role, and we've continually stressed the predominance of younger age groups there." He shook his head. "Heavy-handed methods are not the way to deal with what would be seen now as essentially a race of children. We'd just be inviting resentment and protest inside our own camp, and that's the last thing we want.."Sure." Clem gestured vaguely behind him. "There's a big room back along the corridor that's free and should hold everybody. We could all get some coffee there too.
