we desire thine advantage, and even if thou tookest service with the folk, it were a means of thy continuance [on life].’ Then each of them brought out to him money and gave to him and clad him and fed him and fared on with him a parasang’s distance till they brought him far from the city, and giving him to know that he was safe, departed from him, whilst he fared on till he came forth of the dominions of his uncle and entered those [of the king] of the Greeks. Then he entered a village and taking up his abode therein, betook himself to serving one there in ploughing and sowing and the like..”O king,” answered the youth, ”if there have betided thee talk because of me, by Allah, by Allah the Great, those who have brought on thee this talk from the folk are these wicked viziers, who devise with the folk and tell them foul things and evil concerning the king’s house; but I trust in God that He will cause their malice to revert upon their heads. As for the king’s menace of me with slaughter, I am in the grasp of his hand; so let not the king occupy his mind with my slaughter, for that I am like unto the sparrow in the hand of the fowler; if he will, he slaughtereth him, and if he will, he looseth him. As for the delaying of my slaughter, it [proceedeth] not [from] the king, but from Him in whose hand is my life; for, by Allah, O king, if God willed my slaughter, thou couldst not avail to postpone it, no, not for a single hour. Indeed, man availeth not to fend off evil from himself, even as it was with the son of King Suleiman Shah, whose anxiety and carefulness for the accomplishment of his desire of the new-born child [availed him nothing], for his last hour was deferred how many a time! and God saved him until he had accomplished his [foreordained] period and had fulfilled [the destined term of] his life.”
