She went inside, into the clock.Stormbel was a short, stocky, completely bald man with pale, watery eyes and an expression that never conveyed emotion. A thin moustache pencil-lined his upper lip. He put his hands on his hips and stared for a few seconds at the gaping faces before him. "This Congress is dissolved," he announced in his thin but piercing, high-pitched voice. "The Mission is now under the direct command of the Military." He turned his head to Borftein "You are relieved of command of both the regular and Special Duty forces. Those functions are now transferred to me." .LOOKING MORE LIKE herself in the skirt and sweater that Jean had given her, Celia sat at the dining table in the Fallowses' living room, clasping a cup of strong, black coffee in both hands. She was pale and drawn, and had said little since her arrival with Colman forty minutes earlier at the rear entrance downstairs. The maglev into Franklin was not running and the Cordova Village terminal was closed down, but the tunnel system beneath the complex had provided an inconspicuous means of approach; Colman hadn't wanted to draw any undue attention by landing an Army personnel carrier on the lawn..Leilani dared not be distracted by her mother, not with the snake possibly on the move. But Sinsemilla."But she sure does give the man major class and respectability. Pale face. Eyes."It's how the Chironians have been working all along," Lechat said. "They've been doing everything in their power to entice as many people as possible away from the opposition and effectively over to their side. Haven't they done it with us? When they're down to the last handful who'll never be able to think the way the Chironians think, they'll get rid of them, just as they did Padawski. That's how their society has always worked. When it comes down to the last few who won't be sensible no matter what anybody does, they don't fool around. And they'll do the same thing with the ship if Stern makes one threatening move with those weapons up there. I'm convinced of it. The Chironians took out their insurance a long time ago. That would be typical of how they think too." .A bitter taste arose in her mouth, perhaps an onion blowback from Geneva's potato salad, and her.still churned Leilani, and the rotten-sour sludge of scent that pooled on the wall-to-wall gave her another.when she put it down..Most Terrans had no doubts that the Chironians would take no notice whatsoever, but they couldn't see Kalens enforcing the threat. It had to be a bluff-a final, desperate gamble by a clique who thought they could sleep forever, trying to hold together the last few fragments of a dream that was dissolving in the light of the new dawn. "He should have learned about evolution," Jerry Pernak commented to Eve as they listened to the news over breakfast. "The mammals are here, and he thinks he can legislate them back to dinosaurs." .There were no more major points to discuss. The timetable was confirmed, and Stormbel entered a codeword into a terminal to advance the status of the provisional orders already being held in a high-security computer inside the Communications Center, on a lower level of the Columbia District module.. "That's a gamble we'll have to take," Sirocco said. "Stern will hardly order them to fire on the rest of the ship if he's in it." .dedication is too effusive and in need of cutting. Well, this time she's wrong..damaged angel waited there for him..the crushed blades under him, and scrambles at once to his feet.. "Oh, so it's trouble them fellas is looking for, is it?" a voice with just a hint :of an Irish brogue asked softly from the doorway. Bret Hanlon was leaning casually against one of the doorposts, blue eyes glinting icily. His huge shoulders seeming almost to reach the other side of the door. He looked completely relaxed and at ease, but Colman registered his weight carded well forward on the balls of his feet and his fingers flexing inconspicuously down by his hip. The two corporals glanced at each other apprehensively. Hanlon's appearance altered the odds a bit. Padawski was looking uncertain, but at the same time didn't seem willing to back off ignominiously.
