Not much mixing of the Kargish and Archipelagan skin-color types has taken place except on Osskil, since the North Reach is isolated and thinly populated, and the Kargad people have held themselves apart from and often in enmity towards the Archipelagans for two or three millennia. Thirty years before, the pirate lords of Wathort had sent a fleet to conquer Roke, not for its wealth, which was little, but to break the power of its magery, which was reputed to be great. One of the wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate. understand a thing. Not a thing.
