He had been less generous with the small bag of potato chips. They were crisp and so delicious that he. "Neither do I. But we can't just do nothing." Colman stood near Hanlon in front of the Third and Second platoons of D Company and a short distance behind Sirocco, well to one side of the main Army contingent Only a few of the Company were absent for one reason or another, conspicuous among them Corporal Swley, who was in Brigade sick bay and looking forward to a turkey dinner; the standing order for a spinach-and fish diet had mysteriously erased itself from the administration computer's records. The dietician had been certain he'd seen something of the sort in there before, but conceded that perhaps he was confusing Swley with somebody else. Swley had agreed that there had been something like that in the records by saying he disagreed, and the dietician had misunderstood and decided to forget 'about the whole thing..take that long incline at a run.. "What's wrong? What can I do?" Micky worried, although she no longer expected a coherent reply or. At least thirty men, dressed in black, debark from the trailer: not

Colman's frown deepened. "What about her? Is she okay?". "Who are they?" Jay asked as he sensed Colman's tensing up.. "See, there?s that anger again." Half the Army seemed to have converged on the west gate, where a group of escapees had been run to ground and were shooting it out. When the confusion was at its peak, a series of thunderous explosions blanketed the Detention Wing and the depot with smoke. When the smoke cleared, one of the transporters was gone. No one had been guarding the motor pool.. "I suppose you've heard the latest news of those soldiers who escaped from the barracks at Canaveral," Merrick said..Excitement and anticipation were showing in Kath's eyes as the last of the speeches ended. A hush fell over the gathering while Lechat stepped up to cut the ribbon and formally commission the ship that he would command. Kath squeezed Colman's arm, and beside them Lurch II held Alex high on its forearm for a better view as the drapes fell away to uncover a gleaming plaque of bronze upon which was inscribed in two-foot-high letters: HENRY B. CONGREVE-the new name of the ship that would bring Earth's children home..by then? Somewhere, anywhere, everywhere, waiting. And what if her mother took it with them when.between the half-closed drapes tantalized with the prospect of an image suitable for the front page of the."It's Michelina."girl mean bidness!". "We could probably arrange a visit for you too," Chang offered. "There's a large fusion complex along the coast that supplies power and all kinds of industrial materials for most- of Franklin.
