She stood up and after a moment walked out of the stableyard, off across the hill, on the path that went around it halfway up. One of the dogs, her favorite, a big, ugly, heavy-headed hound, followed her. She stopped on the slope above the marshy spring where Rose had named her ten years ago. She stood there; the dog sat down beside her and looked up at her face. No thought was clear in her mind, but words repeated themselves: I could go to Roke and find out who I am..He no longer kept a cow. He stood looking into the poultry yard, considering. She was troubled by what he had told her and by her thoughts and feelings in the Grove, and troubled that any thought or feeling could have troubled her there. She went to the house, set out her supper of smoked meat and bread and summer lettuce, and ate it without tasting it. She roamed restlessly back down he streambank to the water. It was very still and warm in the late dusk, only the largest stars burning through a milky overcast. She slipped off her sandals and put her feet in the water. It was cool, but veins of sunwarmth ran through it. She slid out of her clothes, the man's breeches and shirt that were all she had, and slipped naked into the water, feeling the push and stir of the current all along her body. She had never swum in the streams at Iria, and she had hated the sea, heaving grey and cold, but this quick water pleased her, tonight. She drifted and floated, her hands slipping over silken underwater rocks and her own silken flanks, her legs sliding through waterweeds. All trouble and restlessness washed away from her in the running of the water, and she floated in delight in the caress of the stream, gazing up at the white, soft fire of the stars..Soon, he thought now, he would not need one. True Runes are."You're welcome," she said, and hoisted whatever it was into a massive pottery bowl, and wiped her hands down her apron. He knew nothing at all about women. He had not lived where women were since he was ten years old. He had been afraid of them, the women that shouted at him to get out of the way in that great other kitchen long ago. But since he had been traveling about in Earthsea he had met

women and found them easy to be with, like the animals; they went about their business not paying much attention to him unless he frightened them. He tried not to do that. He had no wish or reason to frighten them. They were not men.. "She took my cup away," the Master of Iria said to the stranger, whining like a puppy, while his dogs yammered around him. "She broke it.". "She is," said Rush. "Like her mother and her mother's mother. Let us in, Dory, or me at least, to speak to her." The girl went back in for a moment, and Rush said to Medra, "It's consumption her mother's dying of. No healer could cure her. But she could heal the scrofula, and touch for pain. A wonder she was, and Dory bade fair to follow her.". They paid no attention to me, as if I did not exist. I got furious. Without a word I stepped wide enough. When she waded a knee-deep stream, he held on to her tail. She scrambled up the low, out the poker to gather together her namesakes in the hearth, and with a whack knocked the heap. "Well, and afterward?". shifting depths of the forest.. Scattered references and tales from Gont and the Reaches, passages of sacred history in the Kargad Lands and of arcane mystery in the Lore of Paln, long ignored by the scholars of Roke, relate that in the earliest days dragons and human beings were all one kind. Eventually these dragon-people separated into two kinds of being, incompatible in their habits and desires. Perhaps a long geographical separation caused a gradual natural divergence, a differentiation of species. The Pelnish Lore and the Kargish legends maintain that the separation was deliberate, made by an agreement known as *verw nadan*, *Vedurnan*, the Division.. It is said that Segoy first wrote the True Runes in fire on the wind, so that they are coeval with the Language of the Making. But this may not be so, since the dragons do not use them, and if they recognise them, do not admit it.. When Diamond put the lists of names to tunes he made up, he learned them much faster; but then the
